

CTCI Foundation

2022 Online Virtual Job Fair

for International Students

Purpose

The event is aiming to help international students to have a better understanding of Taiwan's working environment and recruitment culture. This year, we invited twenty world-leading corporations to co-host a virtual Job fair online. International students are allowed to interact with companies' HR one-on-one, hence gaining the knowledge of career planning, internship programs, and other info like work regulations locally, etc.

Contents

- Companies Introduction & job openings - internship programs or local job vacancies. (overseas job openings included)
- Working Permit & Regulations for foreign students.
- Foreigner's work & life experience & practical interview skill-set sharing.
- Online interview available.
