注意事項

- (1) All students and host families are required to fill out the health care survey to complete the registration. Completing the registration process doesn't guarantee your attendance. The final result will be sent to your email before March 19th, 2022 (Sat.).
- (2) We will match overseas students with a host family in the activity. All cancellations must be made 7 days prior to the event date. Unexpected absence is not allowed. Please be responsible for your registration once confirming your attendance.
- (3) Due to the COVID-19 prevention policy, temperature check and mask wearing are both required. If the government raise the COVID alert to Level 3 before event date, the organizer reserves the right to cancel, postpone or change the venue, date and time of the event.
