

MASTER'S DUAL DEGREE PROGRAM AGREEMENT
BETWEEN

COLLEGE OF BUSINESS ADMINISTRATION, THE CALIFORNIA STATE
POLYTECHNIC UNIVERSITY, POMONA, USA

AND

COLLEGE OF MANAGEMENT, NATIONAL YUNLIN UNIVERSITY OF SCIENCE
AND TECHNOLOGY

This Master's Dual Degree Program Agreement is between College of Management, National Yunlin University of Science and Technology, Yunlin, Taiwan (hereinafter referred to as CM, YunTech) and College of Business Administration, California State Polytechnic University, Pomona, USA (hereinafter referred to as CBA, Pomona). Appendices may be added upon mutual consent.

Article 1 Definition

In this Agreement unless the context otherwise specifies:

“Home Institution” designates the institution sending the students.

“Host Institution” designates the institution receiving the students.

Article 2 Purpose

- i) The purpose of this agreement is to set out the terms and conditions under which CBA, POMONA shall provide the Master's Dual Degree Program, along with CM, YunTech, and award MBA degree, Master of Science (MS) degree and other Master's degrees to both CM and CBA students. The Master's Dual Degree Program for qualified CM and CBA students will be developed through mutual cooperation between CBA and CM.
- ii) This agreement is intended to promote mutual cooperation between CBA, POMONA and CM, YunTech to help achieve goals and objectives of each and both parties, including competencies in management, as well as language proficiency, professional and research experiences.

Article 3 Qualification, Application, Length, and Credits Transference

- i) Students accepted and enrolled in the Master Programs at both CM, YunTech and CBA, POMONA are eligible to apply for this program. All students who apply for this program must then follow the regular application procedures at the host institution.

- ii) The education period at not only host but also home institution shall be a minimum of two semesters or the equivalent.
- iii) To be granted an Master's degree from the home institution, students shall 1) meet the graduation requirements of the home institutions, 2) complete at the home institution at least half of the credits required by the home institution, and 3) be eligible to transfer up to half credits required by the home institution from the host institution.
- iv) To be granted an Master's degree from the host institution, students shall 1) meet the graduation requirements of the host institutions, 2) complete at the host institution at least half of the credits required by the host institution, and 3) be eligible to transfer up to half credits required by the host institution from the home institution.
- v) The list of courses that will fulfill degree requirements will be provided in separate documents. Credits Transference documents agreed upon by the directors or committees of graduate programs in two institutions are attached as appendixes to the Agreement.
- vi) Periods of study at the two institutions do not have to be continuous. The final term can be completed at the home institution. Graduates are to receive dual degrees, one from each university.

Article 4 Educational Support and Others

- i) CBA and CM students will be responsible for the full cost of their education (i.e. application fees, tuitions, and student fees) as well as all living costs.
- ii) For enrollment, grade evaluations, scholarships, student services, student code of conduct, advising, and other related matters, the applicable regulations for each university shall be observed. For other matters, regulations from both universities will be followed.
- iii) Both CBA and CM are required to provide detailed information regarding the school environment and facilities for the qualified degree-seeking students.
- iv) Under the agreement, CBA shall provide appropriate academic services for the CM students. The education programs shall include the following:
 1. Each CM student will be assigned an academic advisor and they will meet periodically to discuss academic matters and any other issues and concerns;
 2. CM students can transfer the credits from CBA according to CM regulations after they take the classes at CBA.
 3. An orientation program for CM students will be offered before beginning the Master's Dual Degree Program.

- v) Under the agreement, CM shall provide appropriate and academic services for CBA students. The program shall include the following:
1. Each CBA student will be assigned an academic advisor and they will meet periodically to discuss academic matters and any other issues and concerns;
 2. CBA students can transfer the credits from CM according to CBA regulations after they take the classes at CM.
 3. An orientation program for CBA students will be offered before beginning the Master's Dual Degree Program.

Article 5 Housing and Other Facilities

- i) CM students will be responsible for accessing suitable housing and transportation while studying at CBA, with assistance from the host school. Each CM student is responsible for the costs involved for services and accommodations.
- ii) CBA shall provide guidance to CM students in the use of various incidental facilities of the CBA, POMONA, including libraries, computer labs, and other general university facilities.
- iii) CBA students will be responsible for accessing suitable housing and transportation while studying at CM, with assistance from the CM. Each CBA student is responsible for the costs involved for services and accommodations.
- iv) CM shall provide guidance to CBA students in the use of various incidental facilities of the CM, YunTech, including libraries, computer labs and other general university facilities.

Article 6 Health and Accident Insurance

CM students at CBA, POMONA are required to purchase the CBA, POMONA mandatory health insurance coverage for which they may be automatically billed upon registration at CBA, POMONA. CBA students at CM, YunTech are required to purchase the CM, YunTech mandatory health insurance coverage for which they may be automatically billed upon registration at CM, YunTech.

Article 7 Communication and Consultation

Regular communication regarding the Master's Dual Degree program will be enacted between designates at CBA and CM.

Article 8 Management of Students

- i) CM and CBA students shall comply with the academic and other regulations of the university of enrollment.

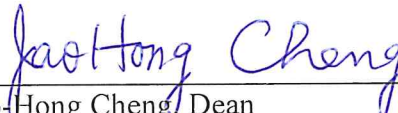

- ii) Applicants shall follow the regulations of the program requirements effective at the time of first enrollment at the home university.
- iii) For suspension and reinstatement of study, applicants must follow the applicable regulations of both universities.

Article 9 Effective Period and Others

- i) This Agreement may be modified through the mutual discussion and consent of the both parties, and shall remain in effect from the date of signature for an initial period of five years. Thereafter it shall be automatically renewed each year; however, after the initial period either university may terminate the agreement by giving six months written notice of such intent. Upon termination of this agreement by either party, CM and CBA students shall not be put at a disadvantage in any way until their degree program is completed.

The provisions of this agreement are hereby agreed to and acknowledged by:
